

# Duke Relaxer

## The IMG Promise

Our products are subjected to the highest Norwegian quality standards. Our comprehensive warranty policy is our promise to you that your furniture has been built to last.

**Warranty** - See warranty policy for more details.

10 years on molded foam cushions and steel frames  
5 years on mechanisms  
2 years on motor and battery-parts  
2 years on leather and fabric covers  
DESIGNED IN NORWAY

## Functions - Features

### 1. Higher Grade Foam

Created through cold-cure foam technology, this ensures ergonomically correct seating posture and support which lasts.

### 2. Comfort-Precision Headrest

Adjustable head and neck support gives you the ultimate comfort in all seating positions, through simply tilting the headrest.

### 3. Height Adjustable Headrest

Enabling the headrest to be adjusted for taller individuals.

## Duke

Our Manual and Power Relaxers are an essential basic comfort provider for your home. Whether you choose Manual or Power, you will receive a cosy, practical armchair with an integrated footrest you can operate either using a hand lever or a simple button. The Relaxer by IMG- the chair you will never want to leave.

With a sectioned padded backrest and minimal stitching detail, the Duke Relaxer offers style and sophistication with a truly less-is-more approach. Extra padding on the armrests creates an enhanced shape, while subtle piping detail adds eye-catching elegance.

## Up to 3 Sizes Available

Sizes vary depending on Manual and Power choices. See reverse for specific option availability.

### 4. Effortless Recline

The back recline and integrated footrest can easily be released and operated manually or upgraded to power.

### 5. Steel Interior Springs

Located throughout the back and seat provide optimum support whilst cradling the body.

### 6. Glide Function

Allows the chair to adjust according to your natural body movements, distributing support across the body and reducing tension.

### 7. Solid Construction

A steel and hardwood frame provides durability and strength.

### 8. Swivel Function

Enabling you to turn in any direction with ease to ensure you never miss a moment.

### 9. New Finger Guard Feature

Protective plastic covering over reclining mechanisms to reduce the risk of injury to yourself, children or pets while using the recliner.

# Duke Technical Specifications
